

Actividad 1: Guía para actividad de Packet Tracer

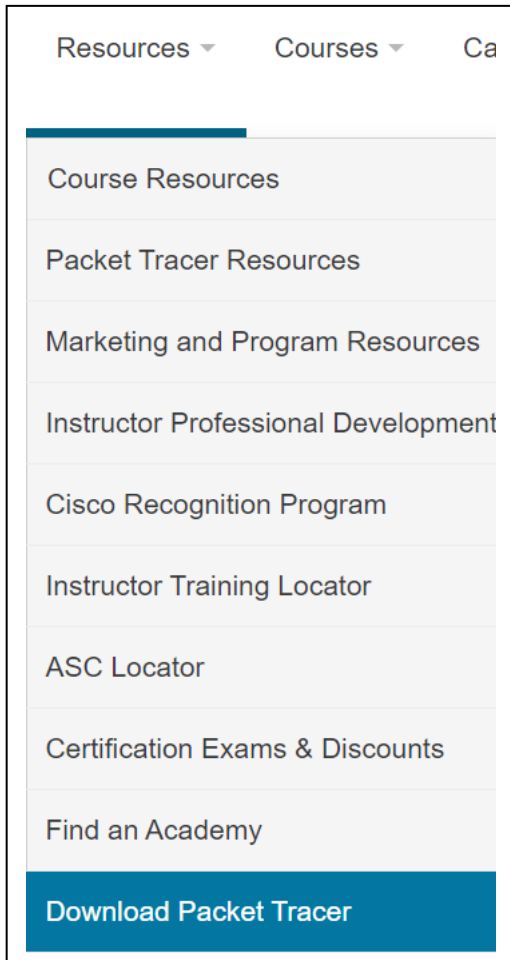

1. Accede a la página de cisco: netacad.com. Da clic en **Login**

2. Registra tu **Email** y **Password**. Da clic en **Log In**.

A screenshot of the Cisco Networking Academy login form. It features the Cisco logo at the top. Below it, the text 'Log in' is centered. There are two input fields: 'Email' with the value 'A01703517@tec.mx' and 'Password' with masked characters. A blue 'Log in' button is at the bottom.

3. Del menú selecciona **Resources > Download Packet Tracer**

4. Instala la última versión de **Packet Tracer 8.2.1**:
